Certification Under section 1511 of the American Recovery and Reinvestment Act

Pursuant to Title XV, Subtitle A, section 1511 of the American Recovery Reinvestment Act (Pub.L.111-5) Feb. 17 2009)) ("ARRA") I, John York Chairperson of the Mars Hill Utility District, hereby certify that the following infrastructure investment has received the full review and vetting required by law and that I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars. I further certify that the specific information required by Section 1511 concerning these investments is as follows:

Wastewater Infrastructure Repair for Mars Hill Utility District will consist of replacing approximately 2,000 linear feet of existing 6-inch diameter vitrified clay sewer main pipe, services and brick manholes on Miller, Gillman, and Church Streets with new 8-inch diameter PVC gravity sewers, services, and precast concrete manholes. In addition, the project will consist of disconnection of existing sump pumps and connect them to nearby storm drainage system to remove I/I from the wastewater collection system.

The estimated costs of the wastewater repair will be \$590,000. ARRA funds will be \$435,000 grant and \$155,000 loan.

I understand that Mars Hill Utility District may not receive infrastructure investment funding from funds made available in this Act unless this certification is made and posted.

John York, Chairperson
